## Section to be completed BEFORE THE MOBILITY

### I. PROPOSED MOBILITY PROGRAMME

Planned period of the teaching activity: from [day/month/year] till [day/month/year]

Duration (days): .....7.....

Additional day for travel needed directly before the first day of the activity abroad

Additional day for travel needed directly following the last day of the activity abroad

Subject field<sup>6</sup>: 0222 ARCHAEOLOGY

Level: Short cycle (EQF level 5) ; Bachelor or equivalent first cycle (EQF level 6) ; Master or equivalent second cycle (EQF level 7) ; Doctoral or equivalent third cycle (EQF level 8)

Number of students at the receiving institution benefiting from the teaching programme: ...50.....

Number of teaching hours: .....8.....

#### Overall objectives of the mobility:

- As lecture(s) and seminar(s) presenting the results of the field projects at Urla / Klazomenai directed by me under the auspices of the Ministry of Culture and Tourism and Hitit University,
- To inform about the current trends and results of the Ionian art and archaeology to the Italian colleagues and students.
- To improve potential collaborative studies between the two institutions, namely University of Florence and Hitit University.
- To present informal seminars, if needed, to graduate students about the Archaeology of the Early Iron Age in the Eastern Aegean;
- To use the research library at the University of Florence during this brief period;
- To gain an experience of the departmental management in a foreign institution.

Erasmus+

Higher Education  
Mobility Agreement form  
*Participant's name*

**Added value of the mobility (both for the institutions involved and for the teacher):**

- To share different approaches and methodologies in an academic environment and to interact with faculty as well as the student body (both at the undergraduate as well as the graduate level) with presentations and lectures on Archaeology of the Eastern Aegean and Ionia during the Bronze Age / Iron Age as well as the Archaic period,
- To gain new learning approaches following the interaction with the colleagues at the hosting institution;
- To enhance direct experience on academic, cultural as well as social and economical spheres at the hosting institute;
- To have a familiarity of European consciousness and multi-cultural understanding and adopting it as skills to my own teaching experience in my own university at Corum, Turkey;
- By being at the foreign institution as a multi-cultural environment, although as a rather brief period, I expect to receive a cultural experience which will be stimulating both for creativity in teaching as well as the potential collaborative efforts between the two institutions;
- To meet with new scholars and researches involving with similar research area in my subject field, namely archaeology;
- To introduce and make the scholars and advanced students at the foreign institute familiar with the field projects that develop by us in Western Turkey;
- Following the experience I will again, presenting direct outcomes with the students and departmental colleagues at my own institution in Çorum / Turkey.

**Content of the teaching programme:**

- Art and Archaeology of Ionia;
- Burial Customs in the Eastern Aegean during the Iron Age;
- Early Iron Age in the Eastern Aegean/ Literary Traditions and Archaeological Evidence;

Erasmus+

Higher Education  
Mobility Agreement form  
Participant's name

- Urbanisation in the Eastern Aegean during the Archaic Period;
- Ionian Vase Painting during the Archaic Period;
- Pottery Production and Installations in the Aegean Basin during the Iron Age;
- Clazomenian Sarcophagi and Monumental Painting in the Ionia;

**Expected outcomes and impact (not limited to the number of students concerned):**

- Eventually, following the experience I will gain, I assume that the number of teaching staff and students will increase as a result of collaborative studies.
  - Direct know-how and experience I would be benefitted with will be transferred to student body as well as the teaching staff at Hitit University.
  - The curriculum of the BA as well as the MA Programmes at Hitit University, will be considered to revision following the collaborative efforts between the two institutions;
- Students will make themselves familiar with Art and Archaeology of Ionia and the Eastern Aegean during the first millennium BC, i.e. Early Iron Age and the Archaic periods (ca. 10<sup>th</sup> to the end of the sixth century BC)

**II. COMMITMENT OF THE THREE PARTIES**

By signing<sup>7</sup> this document, the teacher, the sending institution/enterprise and the receiving institution confirm that they approve the proposed mobility agreement.

The sending higher education institution supports the staff mobility as part of its modernisation and internationalisation strategy and will recognise it as a component in any evaluation or assessment of the teacher.

The teacher will share his/her experience, in particular its impact on his/her professional development and on the sending higher education institution, as a source of inspiration to others.

The teacher and receiving institution will communicate to the sending institution/enterprise any problems or changes regarding the proposed mobility programme or mobility period.
