

The Prosopography of Ebla

K

The basic manuscript was prepared by Grégory Chambon
on files provided by A. Catagnoti
It was revised by A. Catagnoti in collaboration with M. Bonechi and read by A. Archi
The interpretation of personal names is by P. Fronzaroli

Kéš-du-ud was the name of one of the most prominent female figures of the first generation documented by the Archives, and also that of a princess of the fourth and last generation: a daughter of king Išar-damu and his queen Tabur-damu. She married the son of the king of Kiš about two years before the destruction of Ebla, as it was seen by Biga-Pomponio, *JCS* 42, p. 185 f. with n. 15. On this marriage, see Archi-Biga, *JCS* 55, pp 26-29. She is the only princess qualified as “queen's daughter”, dumu-mí *ma-lik-tum*.

The oldest *Kéš-du-ud* received offerings together with the kings Igriš-Ḥalab and Irkab-damu on the occasion of funerary rites of members of the royal family. She was probably the queen (*ma-lik-tum*) of Igriš-Ḥalab, see Archi, *Amurru* 1, p. 104 f. Her death is registered in *MEE* 2 13 v. III 5-7 (níg-ba *K. É×PAP*), a document to be dated probably to the year in which Enna-Dagan became king of Mari (colophon: DIŠ mu *áš-du En-na-^dDa-gan lugal*).

Some further quotations from unpublished texts in *ARES* I, p. 239 (s.v. *ḥir-du-ud*).

There are two *Kir-su-ud* dam en. The elder one appears in lists preceding the marriage of the queen Tabur-damu with Išar-damu (14th year of minister Ibrium), forming in general a cluster with *Ra-ù-tum* and *En-na-^dUtu* (Tonietti, *Miscellanea Eblaitica* 2, p. 99 f.). The lists of the years preceding immediately the marriage start with the king's mother Dusigu, followed by Tabur-damu, and then by Tinib-dulum (a high priestess, dam-dingir, Archi, *Fest. Loretz*, pp. 46-48) and Arzadu, two sisters of the king, nin-ni en. Later, Tabur-damu appears as *ma-lik-tum* (Tonietti, *Miscellanea Eblaitica* 2, pp. 101-103). The first *Kir-su-ud* disappears after the list D5, where we find a *Kir-su-ud-II*, forming a cluster with *I-šar-tum*, *Maš-gú-ud* and *Hi-su-ud*. This second *Kir-su-ud* appears also in the 1st RAM of Ibzi-zikir, *MEE* 10 20 rev. VI 26. She was sent later in a peripheral royal residence: *Lu-ub^{ki}* and *A-da-bi-ig^{ki}* (lists M and R).

Kir-su-ud was also the name of a “woman”, dam, of Ibrium. She appears, together with others of his “women”, in the royal decree 75.1444 demanded by Ibrium, in favour of some of his sons.

Another *Kir-su-ud* was daughter of the minister Ibrium. The passage 75.2358 obv. V 9-16 (quoted in Archi, *Fest. Loretz*, p. 51) proves that only *Ti-a-bar-zú*, her sister, was a high priestess, dam-dingir, while one could deduce from *MEE* 10 20 r. I 24 that also *Kir-su-ud* and *Ti-a-da-mu* were dam-dingir.
